

E4 - Cell Alignment Template

1:1 print jig - square the walls and centre the mouse. Standard 180 mm cell, 12 mm walls.

SCALE CHECK: this bar must measure 100 mm. Print at ACTUAL SIZE / 100% - NOT 'Fit to page'/'Shrink to fit'.

Prints on A4 or US Letter. Lay on the floor, align the four walls to the grey bands, then place the mouse on the dashed outline (axle on the centre).
